Steffen W. R. Werner is an encouraged young researcher active in the fields of scientific machine learning and model order reduction, involving numerical linear algebra and scientific computing. During his scientific career, he published 10 journal articles, 2 book chapters, 9 conference papers, as well as 3 open-source software packages.

Professional Experience

since 09/2021	**Postdoctoral associate**, Courant Institute, New York University, USA.
10/2016–08/2021	**Doctoral researcher**, Max Planck Institute Magdeburg, Germany.
05/2016–09/2016, 10/2014–01/2016	**Student employee**, Max Planck Institute Magdeburg, Germany. • Development and maintenance of MATLAB toolboxes.
01/2016–04/2016	**Industrial intern**, proALPHA Business Solutions GmbH, Germany. • Application programming. • Analysis of modern version control systems.
10/2013–09/2014	**Student employee**, Otto von Guericke University Magdeburg, Germany. • Tutor for mathematical/engineering courses.

Education

10/2016–08/2021	**Doctoral studies in applied mathematics**, Otto von Guericke University Magdeburg, Germany. • summa cum laude (excellent).
10/2014–09/2016	**Master of Science in applied mathematics**, Otto von Guericke University Magdeburg, Germany. • very good with distinction.
10/2011–09/2014	**Bachelor of Science in applied mathematics**, Otto von Guericke University Magdeburg, Germany. • very good with distinction.

Research Interests

scientific computing, scientific machine learning, model order reduction, data-driven modeling, numerical linear algebra, optimization and control, mathematical software

Awards

03/2020	**Best Paper Award Automatisierungstechnik** at - Automatisierungstechnik, De Gruyter, Austria.
06/2019	**SIAM Student Chapter Certificate of Recognition** Society for Industrial and Applied Mathematics (SIAM), Philadelphia, USA.

Selected Publications
